

A high density stacker with motion

chairs pictured from left to right: 1020-GT-AP-BF-P11, 1010-GT-UP-CF-P05, 1020-GT-AP-CF-P04, 1020-GT-AP-CF-P09

Standard Features

Posture-Flex Technology® offers 15 degrees of back recline. Sliding movement of seat and flex in the back, not only contribute to user comfort, but also helps to keep the user alert while seated for long periods of time.

Ganging glides (black nylon) are integrated into every Indy chair. These glides allow the user to perfectly align each Indy Chair. Optional top ganging clip GC3 (gray nylon) may be added to firmly attach two chairs.

Chairs stack 9 high on ground. Using optional DL2 cart, AP (all plastic) chairs may be stacked 33 high while still offering clearance through an 80" doorway. More than 33 chairs may be stacked on optional DL2 cart in open areas.

Multiple upholstery options: all plastic (AP), upholstered seat (US), and upholstered seat and back (UP).

chairs pictured from left to right: 1010-GT-CF-AP (stacked on DL2 dolly), 1010-GT-AP-CF-P01, 1020-GT-AP-CF-P04

Features

- Indy introduces ergonomics to stack seating in an attractive package that won't break your budget.
- Posture-Flex Technology® offers 15 degrees of back recline allowing users to reposition and stretch muscles when seated for longer durations.
- Indy will stack arm on armless but not armless on arm.
- With optional DL2 cart Indy stacks 33 high while maintaining clearance under an 80" doorway. On the ground Indy stacks 9 high and 6 high if seat is upholstered.
- Thermoplastic shell available in 11 colors for 48 hour quickship.
- Indy ships standard with non-marring floor glides which also feature integrated ganging capability.
- Indy's frame is available in either a black powder coat (BF) or chrome finish (CF) and with or without arms.
- Three upholstery options to suit your needs: all plastic (AP), upholstered seat (US) or all upholstered (UP).
- Choose from over 1,000 textiles offered by Momentum, CF Stinson, Maharam, and 9 to 5 Signature®.
- Lifetime warranty on all structural and mechanical components. Fabric and foam are warranted against wear through and deterioration for five years. All components exceed stringent ANSI/BIFMA standards.
- Quick Ship! Indy ships in 48 hours for all grade A fabrics and a wide selection of fabrics grade B and higher ship in as little as five business days.
- Indy is sustainable and green! All 9 to 5 Seating chairs are GREENGUARD children and schools certified for indoor air quality and are produced in a LEED Gold designed facility with over 80% of all energy coming from a rooftop solar array.
